**Go-Large 12-way, the missing Dive Pool!**

The 12-way dive pool is a copy of the current 8-way dive pool just made bigger to included 12 skydivers. The dive pool is designed to give the more experienced skydiver a new challenge, whilst sticking to a known format.

**Note:** not all the 8-way dive pool lends itself to Go Large. Block 22 and Random's A, O, P, Q have not been included.
